EXPERIENCE

The City of Philadelphia • Philadelphia, PA

User Interface Designer (April 2018 - September 2018)

- Assisted in the design of clean, artful user interfaces
- Supported the creation of wireframes, storyboards, user flows, process flows and site maps to communicate interaction and design ideas leading to the final and complete design
- Implemented the users' needs into interaction flows and artifacts
- Assisted in the front-end web development

Drexel University • Philadelphia, PA

Senior Visual Designer (October 2017 - September 2018)

- Created promotional materials (physical and digital posters, badges, T-shirts, social media posts and on-campus digital signages)
- Collaborated with other designers and executives to produce annual events
- Promoted events, programs, and activities offered by Drexel University students, professional organizations and departments.
